Message from the Principal

One of the strengths of our school has always been the commitment of our staff. In addition to the work that our teachers put into to teaching and supporting our students during regular lessons, and the important supportive roles played by our administrative and maintenance staff to the daily running of the school, all staff play their part in ensuring that our students' education is enriched by a broad extra-curricular programme within the school and the local community.

This has been much in evidence once again across the school. Our Physical Education department has had a particularly busy time this week with local fixtures, tournaments and the Secondary Sports Day today (of which more information will be provided in next week's bulletin). I wish to thank the P.E. department,

along with all our staff that support extra-curricular sport, for providing our students with so many opportunities in this important area of the life of the school.

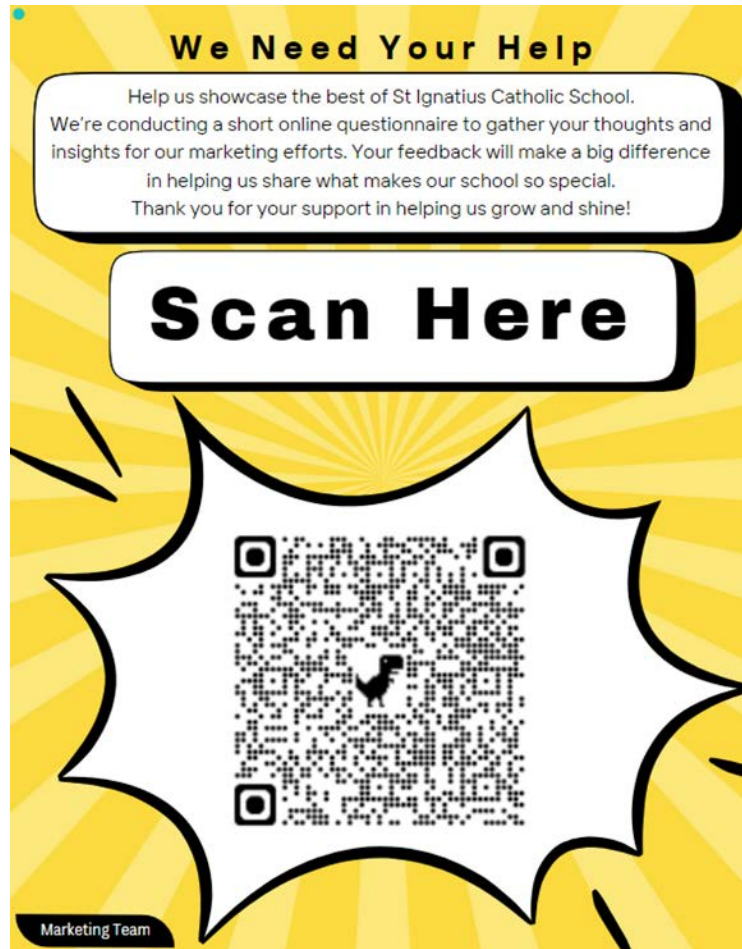

Of course, the school offers many opportunities in other areas for our students outside the regular curriculum, and some of these come to the fore at particular times of the year. During Advent our Music department will be especially busy, and we very much look forward to our parents and stakeholders joining us for the upcoming musical events that will take place before the end of term.

I never fail to be amazed by how many varied curricular and extra-curricular events and initiatives take place across the school which, in addition to our website and social media, we showcase in the weekly parent bulletin. We know that many parents value this form of information about what has taken place in the school; however, we would like to find out more about how parents prefer to receive news and information from the school to ensure we are reaching as many parents and stakeholders as possible. To this end, our Marketing team has put together a parent survey using a QR code, which can be found within this bulletin and around the school. We would be very grateful if parents could please complete it to help further inform our marketing and communication strategy going forwards.

I wish you an enjoyable and relaxing weekend.

CHRISTMAS HAMPER APPEAL

The annual Christmas Hamper Appeal is now officially launched!

Our school proudly engages in this charitable initiative alongside the Department of Children and Family Services and the St. Ignatius Catholic Church to support families across Cayman during Christmas. This event empowers our students and their families to be a blessing to others, embodying our school's Catholic Ethos in action through a charitable act of giving and compassion.

The children have now all received a letter informing you of the beneficiaries. **We kindly request that all gifts must be brought into school by Thursday 12th December.**

Thank you in advance for your support!

Candlelight Carol Service Monday 9th December at 7:00pm - Courtyard

We are delighted to hold this lovely annual event on Monday 9th December at 7:00pm in the Courtyard.

Please come along, and bring the family to sing, reflect and rejoice. There will be readings and carols, as well as student choirs.

It will be wonderful to have the community together to support this traditional service, led by students and staff.

We look forward to seeing you there.

IMPORTANT NOTICE: Applications Re: Nursery and Reception for the 2025/2026 Academic Year

A reminder that if you have a child who will be age appropriate for Nursery OR Reception in **September 2025**, but **have not yet submitted an application**, you should go ahead and do so without further delay and **by 15th December 2024 at the very latest**.

A child is age appropriate for Nursery in September 2025 if he/she was born **between 1st September 2021 and 31st August 2022**.

A child is age appropriate for Reception in September 2025 if he/she was born **between 1st September 2020 and 31st August 2021**. Because we will have 36 students going into Reception from Nursery there are limited spaces available in Reception and we have already received many applications.

Applications should be submitted via our website at: <https://st-ignatius.com/admissions-process/> and then click on 'Apply (Nursery – Year 11)' at the bottom of the page.

You must complete the online application form and upload the following with the application:

1. Proof of payment of the CI\$100 application fee - we are an established payee at Butterfield Bank (Cayman) Ltd:

Bank Account Name: St. Ignatius Catholic
School Account number is 02-101 03126001
Bank Account Type: Chequing Account

For online payments please be sure to note the child's name in your online transaction and a short description of payment, e.g., Joshua Bodden – Application Fee

2. Child's Birth Certificate
3. Child's Baptism Certificate (if Roman Catholic)
4. Child's immunization records
5. A full face photo of the child
6. Proof of the child's legal right to live in the Cayman Islands

This notice does not apply to students in Nursery for the current academic year – they will automatically move up to Reception in September 2025.

If you have any questions about admissions, please contact the School Office.

Don't miss out on this opportunity to own a piece of our school's history and a keepsake your child will treasure for years to come.

H.S.A: THIS WEEK

Update on the Uniform Shop

Our wonderful HSA volunteers have been busy bees lately! 350 bags later, they have cleaned, disinfected and conducted quality control checks. They are in the process of reorganizing our uniforms at our temporary location at Eclipse Plaza off Eastern Avenue. The shop in Loyola Hall has officially been cleared out, and we are almost ready to welcome you for online orders. We look forward to being able to serve our community again!

In-person orders will be facilitated by appointment only. In the meantime, we still encourage everyone to place orders online using the link below.

<https://stignatius.schooluniforms.ky>

A huge shoutout to the St. Ignatius Cleaning and Maintenance teams and our dedicated volunteers for their hard work on this massive project with a quick turnaround!

Our deepest appreciation to the team at Units who loaned a container at no cost, Cayman Linen Services for laundry assistance and to the Maragh family for the use of their commercial space at a significant discount.

Charleston Wrap Fundraiser Update

Great news, everyone! Your Charleston Wrap orders have arrived just in time for the holiday season! This fundraiser has allowed us to support various programs over the years.

You can pick up your orders on Saturday at Msgr Meaney Hall between 8:30am and 9:45am or at morning drop-off on Monday. Please spread the word to anyone in your network who also placed orders to support our Christmas fundraiser.

A big THANK YOU to our students and parents for making this fundraiser such a success! Top sellers will be announced next week.

Close out the year in service - Upcoming volunteer opportunities

As we approach the holiday break on December 18th, we have a couple of events that need your support. If you're interested, please sign up with <https://chat.whatsapp.com/HZTvf0ntQ5G3UQY9j3om0A> to help us ensure that each event runs smoothly.

- **Candlelight Carol Service – December 9th at 7PM:** We need volunteers to serve mulled wine, hot chocolate, and mince pies.
- **End of Term Treats – December 18th at 11 AM:** Volunteers will serve milk and cookies to students (School closes at 12:00 NOON).

Thank you for your continued support, and we can't wait to celebrate the festive season together!

Primary Girls' Tag Rugby Tournament

On Tuesday 26th November, the girls' teams from Years 4, 5 and 6 went to Cayman Rugby Club to take part in the annual Inter-Primary Tag Rugby Tournament. St. Ignatius was able to enter one team from Year 4, one team from Year 5 and two teams from Year 6.

Nine girls from Year 4 took to the field to play against Island Primary, Cayman Prep A and CIS A. Throughout these games, the girls worked hard as a team to attack to score a try as well as defending up the pitch. The girls' performance increased with every game and all worked extremely hard to demonstrate their skills that they have been learning in PE, with their confidence building every time. Well done girls!

The Year 5 girls had a tricky start with a match against CIS B where they lost 4-2; however, they regrouped and worked hard to win their next match against Cayman Prep C (winning 4-2), with two excellent tries scored by Beth. This then meant that they finished second in the pool, qualifying for the semi-final. They faced tough opposition in the semi-final in Cayman Prep but despite this they did not give up. All of the girls showed great determination and hard work, and we are proud of you for making the semi-final.

The Year 6 girls had two teams and were played in different pools. St Ignatius B had a fantastic start with a win (6-4) against Cayman Prep C, followed by another win (8-5) against Cayman Prep B. They then had two tough matches against CIS B and Footsteps where it unfortunately did not go the way of St Ignatius. All of the girls tried extremely hard, and it was great to see them using the skills that they have learnt and been working on during lesson time. Well done!

St Ignatius A also had a fantastic first match against Island Primary (8-5) where they worked the ball well between the team and kept running hard to find the corners and score double points. Their second match, against Cayman Prep A, was level throughout the game, however Cayman Prep scored a try in the final few seconds, leaving the score at 10-8. Despite this loss, the team remained focused on trying to qualify for the semi-finals and went on to comfortably win the final two matches against Montessori (10-4) and CIS A (8-4). The team then went on to play Footsteps in the

semi-final. The team worked extremely hard to defend and get lots of possession turnovers, finishing the game winners by 10-4. The Final saw the team take on Cayman Prep A again. With the pressure building, the play went backwards and forwards between the two teams, with St Ignatius scoring first. The team kept the pressure going and were able to stop a try from happening in the final few minutes of the game. The team came out victorious with a win of 6-4 and ended the tournament as champions! Janinna was awarded Most Valuable Player from the Rugby Club and received a Rugby Ball for this recognition.

All of the girls played really well and tried their best throughout the tournament. The teamwork and the spirit that was demonstrated throughout was amazing, particularly for the Year 6 final where all of the girls were cheering the team on from the side lines. We are so proud of all the students and hope they continue to enjoy Rugby ahead of next year's annual tournament.

Primary Boys' Tag Rugby Tournament

The Years 4, 5, and 6 boys had an exhilarating day at the Inter-Primary Tag Rugby Tournament hosted at the Rugby Club. From the first whistle, the teams brought high energy to the field and quickly adapted to the fast-paced nature of Tag rugby.

There were some excellent skills on display, with quick passes, agile runs, and determined efforts to secure those all-important Tags. It was fantastic to see the boys embrace the spirit of the game and give their all in every match.

The Year 4 team made an incredible run to the semi-finals where they were denied a last-minute try to draw the game by a matter of inches. Their performance was outstanding, particularly in defence as they embraced the challenge and played with determination and heart.

The Year 5 team played some beautiful rugby and were unlucky to miss out on a semi-final spot by just one try. Their teamwork and effort stood out, and they can be incredibly proud of their performance.

The Year 6 team took some time to get used to the fast-paced nature of the game but ended their morning on a high note. They produced some wonderful rugby in their final match, defeating a very strong CIS team with impressive support play in attack.

Overall, it was a fantastic morning of rugby. All the children will take valuable lessons from the experience and are already looking forward to making more progress next year.

Secondary Girls' Tag Rugby Tournament

On Thursday 28th November, teams from Years 7, 8 and 9 attended the Annual Inter-Secondary Tag Rugby Tournament, along with eight other schools.

The Year 9 team had 3 pool matches. For their first match they faced Triple C where they were able to get off to a good start and demonstrate both the strength and speed that they have within the team. They got off to a quick start and then held onto possession, finishing the game with a 6-2 win. For the second game, they came up against a very strong Cayman Prep side. The girls all put their best effort in and the game was extremely closely contested but unfortunately the opposition were just too fast and the final score finished with an 8-5 win to Cayman Prep. However, the girls came back fighting for the third pool match against CIS C. There was some excellent agility demonstrated along with a lot of speed whilst driving forward to the corners to score the magic bonus of 2 points.

The girls finished the game with a final score of 10-2 to them. With these two wins, this took the team to the semi-final where they went up against CIS A. The girls started off determined and kept the pressure up with a counter try in the corner after an initial score from CIS. However, the momentum wasn't able to be continued and they finished the game with a final score of 10-2 to CIS. All the girls played really well and showed hard work and determination, well done!

The Year 8 team had 4 pool matches. With their first game against Clifton Hunter, the enthusiasm on both the pitch and the side lines was high. The game was closely contested with lots of tags happening and possession changing hands. With the final minute to go, Clifton Hunter scored a last minute try which left the team with a loss of 4-5. Determined to come back from this, the team regrouped and worked hard in their next match, where they took on CIS B. They demonstrated true grit and determination and won the game comfortably with a score of 15-10! Their final two games were against Footsteps and Cayman Prep A. In both of these games, the team really pulled together to motivate each other and work hard to cover the pitch both attacking and defending. Both games were extremely close and could have gone either way.

Some tough refereeing decisions were made against the students, and I am proud of how they never gave up and worked together throughout the game.

The Year 7 team had 3 pool matches. With two matches straight after each other, the team had to save energy and were able to use their substitutions well. In their first match, they faced CIS A. The girls settled into the game well and demonstrated excellent skills throughout the game. They worked hard to keep pushing for the try line and finished the game with a win (10-4). With no time to rest, they were back on pitch for the second match, this time playing against Cayman Prep B. The girls continued to develop on what they had learnt in the previous match by running into the corners and offloading the ball quickly. This resulted in the game ending with a win for St Ignatius (6-3). The team then had a long time to wait before their final pool match. With anticipation building, they took to the pitch to play CIS C. With thoughts of making a semi-final on their minds, the girls showed really good teamwork and played all the way through to the final whistle, finishing the game with their best result so far (14-7 win to St Ignatius). This meant that the team advanced to the semi-final as pool A winners, facing CIS B. The girls kept their cool and were able to turn over possession and then utilise this to score an extra 2 tries over the team, finishing the game with a win of 14-10, meaning they had

the game with their best result so far (14-7 win to St Ignatius). This meant that the team advanced to the Semi-Final as pool A winners, facing CIS B. The girls kept their cool and were able to turn over possession and then utilise this to score an extra 2 tries over the team, finishing the game with a win of 14-10, meaning they had secured a place in the final. This saw a rematch of the first pool game against CIS A. With nerves building on the sideline and pitch, the game started in the favour of CIS who were quick to score their first try. However, this did not deter the team who quickly responded with their own try. Possession was equal for the remainder of the match and the final whistle went with a score of 6-6, meaning that the game had to go to "golden try". This meant that the first team to score would be the winners. Unfortunately, both teams saw a knock on which gave the other team possession, and the final result saw CIS take the win, with St Ignatius finishing in second place for the tournament.

All of the girls played really well and demonstrated their best rugby skills throughout the tournament. The teamwork and the spirit that was demonstrated throughout was amazing and it was great to see so many girls taking part and enjoying rugby. Mica Solas in Year 7 was awarded Most Valuable Player for St Ignatius and was awarded with her own match ball. We are so proud of all the students and hope they continue to enjoy Rugby ahead of next year's annual tournament.

Under 18 Netball

The U18 team took to the court for their final game on Monday, facing their second match against CIFEC. Despite a heavy downpour of rain en route to the venue, the match was still able to go ahead in the Sports Hall. The team had a bit of a slow start, with lots of possession but not many goals in the first quarter. However, they soon found their rhythm and finished the first quarter 6-1 in front. In the second quarter, they were able to continue this momentum, scoring a further 6 goals and stopping CIFEC from getting any. In the third quarter, the team had a reshuffle of position and this brought with them even more energy with lots of interceptions all across the court. The team entered the final quarter with a score of 25-1. All of the players worked hard to keep this going and finished the game with a final score of 32-2. This means that the U18 team have remained undefeated and will have won the league. A massive well done to all who have played!

Under 11 Netball

The U11 Netball team took to the court to take part in the Semi Final on Friday afternoon against Footsteps. With lots of excitement and energy, the girls took an early lead during the first half, scoring the first two goals on the game. There was some excellent play throughout the court and the girls moved the ball well down the court to the shooters. The last few minutes of the first half was rather hectic, with both teams moving the ball extremely quickly. The girls left the court at half time, with a score of 3-3. The second half of the game was equally exciting, with the ball changing possession from each team frequently. There was some excellent interceptions, particularly from Sophia in GD, and the girls kept the flow of the game going well. The score at the full time whistle was 5-5, meaning that extra time was needing to be played. With the pressure of the situation as well as the atmosphere of the supporters, the girls worked hard to battle for the ball but unfortunately did not come out victorious with the final score ending 8-5 to Footsteps.

I am extremely proud of all the girls who have played Netball during this league and the standard of play has increased massively throughout. It has been a joy to watch the girls develop a love for the sport. Well done all!

Under 9 and 11 Boys' Football Season Review

Last weekend, the U9 and U11 boys' football teams concluded their seasons with hard-fought battles in the Quarter Finals. While both teams were knocked out, they were incredibly unlucky not to achieve more from their games, with performances that demonstrated their effort, growth, and determination throughout the season.

It has been an enjoyable and rewarding journey, filled with memorable moments both on and off the pitch. None of this would have been possible without the unwavering support of our parent volunteers. Your encouragement and dedication have been invaluable to the boys and the program.

A heartfelt thank you also goes to **Coach Brad, Coach Caron, Coach Nick, Coach Dermot, Coach Kioko, and Coach Rob** for their incredible commitment to the boys and the school. Their guidance and enthusiasm made Thursdays not just about football, but about fun and camaraderie.

We are proud of the boys for their efforts and sportsmanship this season, and we look forward to seeing them continue to grow in the game.

Well done, everyone, and thank you for a fantastic season!

Ed Gough, PE Department

Under 11 Girls' Football

We wish the U11 Girls' Football team all the very best for their PFL Semi Final game against Cayman Prep on Saturday morning (30th November) at the Annex. Kick off is at 9:40am and all support is very welcome!

Good Luck Girls!

Empowering STEM Learning through Robotics: A Workshop Experience

Adam Masters, James Lillington, and Benjamin Joannou recently participated in the Robotics teacher workshop, held at The Compass Vault and facilitated by robotics expert Stan Hunter. The event brought together educators from 13 local schools, marking an expansion of the VEX IQ Junior Robotics programme, which targets students in Years 6-9. The hands-on workshop equipped attendees with valuable tools, techniques, and resources to introduce robotics in their classrooms effectively. The session also featured contributions from local tech professionals and student mentors, emphasizing the strong collaborative spirit within the Cayman education community.

A special thank you goes to Mrs. Glenda McTaggart and the event sponsors, Dart and Inspired Minds, for generously providing VEX robotics kits to the school. These kits will be instrumental in launching engaging STEM projects and preparing students for the inter-school robotics tournament at Camana Bay ARC in February 2025.

We are eager to implement what we've learned and can't wait to see our students' creativity and problem-solving skills come to life. We wish to share our enthusiasm for an immediate impact this initiative will have through the school's STEM Robotics Club.

National Spelling Bee

We are thrilled to share that four outstanding students represented St. Ignatius Catholic High School at the 42nd Annual National Spelling Bee, hosted by the Lions Club on Wednesday, 27th November at John Gray High School. A big round of applause goes to Isabella Partridge, Oscar Nyyssonen, Hannah Suckoo, and Mara Pomian-Bard, who showcased incredible bravery and determination on this prestigious stage in Cayman.

While our team did not bring home the top prize, their participation in such a challenging competition is a true testament to their hard work, courage and poise under pressure. We are so proud of them for embodying the spirit of our school and for representing us with excellence.

Author visit to Early Years

On Tuesday EYFS were delighted to welcome Erin Connelly, a local author, to our school. Erin has recently published her third book, *Reef and the Caribbean Sea*, and is also the author of the much-loved *Georgie and the Stingray City* and *Pedro and the Treasure Map*.

As part of our learning about Cayman heritage and culture, we have explored all these wonderful stories in class. The children were thrilled to meet a “real author” and listened attentively as Erin read her latest book.

PRIMARY: THIS WEEK

Mass

Year 6X/Peacock led the Mass on Thursday with the theme of Thanksgiving and we thank them for their leadership of the Liturgy.

Next Thursday, 5th December, Year 2Y/Mitchell will lead the Mass in celebration of the first week of Advent.

Parents are warmly invited to attend at 8:15am in the Church.

Primary Christmas Shows

Further to previous communication about the Primary Christmas shows, you will be aware that we have had to make some adjustments to our usual arrangements due to Loyola Hall being unavailable.

Therefore, the dates for the Christmas Shows will be as follows:

Year Group	Date and Time	Location
Nursery and Reception	Tuesday 10th December at 9:15am (led by RX/McGuinness); Wednesday 11th December at 8:30am (led by RY/Minehane)	Church
Years 1 and 2	Wednesday 4th December at 1:30pm	M1, M2, M3
Year 3	Wednesday 11th December at 1:30pm	M1, M2, M3
Year 4 and 5	Friday 6th December at 1:30pm	M1, M2, M3
Year 6	Friday 13th December at 4:00pm	M1, M2, M3

The Years 1 to 6 performances will take place in M1, M2 and M3. There are movable partitions between these three rooms, and once these are removed, it creates one large room which would be suitable for performance and an audience.

We thank you for your understanding as we change from our usual format but we are pleased that each child in Early Years and Primary will have the opportunity to perform during the advent season.

EYFS Bedtime Stories

Please refer to the communication sent out by the EYFS Team.

Children are warmly invited to don their pyjamas and come to school with their parents from 5:30 - 6:30pm next Thursday, 5th December.

Children will be served cookies and chocolate milk whilst they hear some lovely and engaging stories from the EYFS staff.

The HSA will be kindly providing the treats and helping out. Thank you to them for being so helpful.
